

Great Barrier Island Highlights & Harbour Tour Itinerary

Check-in for your morning departure from Auckland Airport's Domestic Terminal.

You depart Auckland for Great Barrier Island flying over the City of Sails and the beautiful Hauraki Gulf Islands. Keep a lookout for whales and dolphins... commonly sighted in the gulf.

We meet you on arrival at Claris Airport and your private island tour begins.

There is an optional breakfast available at My Fat Puku Licensed Café in Claris... Alternatively we can grab a coffee and hit the road.

We take a look at beautiful Medlands Beach and then head north to Port FitzRoy.

You're welcome to take a stroll along the Barrier's most famous surf beach (15 minutes) before we stop off for an optional 15 minute return walk to the top of the famous Windy Canyon. You'll love the breath-taking views over the island's interior, east coast and the Pacific Ocean.

Back in the coach, we check out the view at Rakitu Island Lookout & tour through to stunning Port FitzRoy Harbour.

You board Sundancer and head off into the harbour to find a sheltered spot for your scrumptious onboard lunch. You cruise out through the amazing Man O War Passage and head through the incredible Broken Isles to Whangaparapara Harbour. Back on the tour coach we head for Claris - You'll have time for a coffee break at the café and we'll take a look at the Community Heritage & Arts Village and Milk, Honey & Grain Museum.
